

Nex-Gen 2022 Summer Internship Program Wrap Up

2022 Summer Internship Program

This summer, 96 area businesses hosted 142 Nex-Generation interns! This means that 142 high school and college students were able to experience paid, hands-on job training, skill development, and mentorship by their employers. The end of the summer culminated in Graduation Days, where students share their "success story" about their overall internship experience. The intern highlights what they did all summer, how it impacted them, and where they are headed next. We are so grateful we had the opportunity to celebrate an incredible summer with them!

Intern Success Stories

Check out the quotes below for some impactful "success stories" from four of our interns!

Maggie James Nex-Tech Ad Solutions Intern

"Nex-Gen has opened my eyes to the opportunities that are all around me. The internship program has shown me the numerous industries and jobs available right here in our rural communities. Nex-Gen is supporting the development of small-town Kansas kids through their various programs and services. I am very grateful for Nex-Gen and Nex-Tech for providing me with this opportunity."

Taylor Maxfield Nex-Tech Administration Intern

"Nex-Gen means a lot to me. If a student came up to me and asked about the Nex-Gen Internship Program, I would tell them that this opportunity allows you to get your foot in the door in a real work environment and that it's a great opportunity for anyone to see if they really want to get into the profession that they are interested in."

Caden Pfeifer Russell Development Intern

“Nex-Gen is a great opportunity to study in a professional field that interests you and to see it has the potential to be a future career path. It can also develop or further anyone on the leadership pathway. After 3 years of studying, I finally got a chance to put the principles I learned in the classroom into practice. Now I feel confident that if I get hired by a respected firm after I graduate that I could perform at a high level.”

Jaelyn Rumback Nex-Gen Youth Services Intern

“If someone were to ask me if they should do a Nex-Gen internship, I would say, ‘Just go for it!’ It’s going to be one of the best summer experiences that you will ever have. You will meet so many new people and learn so many new lessons that will last a lifetime. You will not regret becoming a Nex-Gen intern. I’m very proud to be a part of my rural community and I’m even more proud to be a part of the Nex-Generation that will help make my community better in the future.”

Congrats Summer Internship class of 2022!

We are eager to continue to grow our Summer Internship Program! To help impact future interns, please consider financially contributing to Nex-Generation by clicking the "donate" button below!

Thank you for your continued support!

Our mission is to educate northwest and north central Kansas students about local career opportunities by providing and supporting programs in career development, entrepreneurship, and internship. Through these efforts, we hope to foster a positive sense of community and encourage youth to remain or return home to prosper.
