### It's "I Heart Nex-Gen" Month!

We know you love Nex-Generation as much as we do, and we need your help! This year, we are seeking to raise \$28,000 per county (28 counties in total) to help support our Nex-Gen Programs! This would mean that each county would financially support 10 local interns!

We can't reach this goal without YOU! For more information about this campaign, please contact our Donor Engagement Specialist, Layne Reynolds at:

**[lreynolds@nex-generation.org](mailto:lreynolds@nex-generation.org)**

If you're really feeling the "love" now, feel free to click the "donate" button below!
