

WE  NEX-GEN!

It's "I Heart Nex-Gen" Month!

We know you love Nex-Generation as much as we do, and we need your help! This year, we are seeking to raise \$28,000 per county (28 counties in total) to help support our Student Internship Program! This would mean that each county would financially support 10 local interns!

We obviously can't reach this goal without you, and are eager to share more details about our campaign soon! Be on the lookout for more information in the coming months!

Programs We LOVE

2023 is looking to be a busy year for Nex-Generation! We are excited to continue offering our unique and valuable programs to youth in our 28-county region! Read below to get a snapshot of what we have coming up!
