

We are so thankful for **YOU!**

There is a lot to be thankful for this Thanksgiving season! Thanks to **YOUR** generous support, our programs are reaching more students than ever! Here are a few things that we have to be thankful for this year.

Internship

We are so thankful for the 166 interns and 97 business that participated in our Student Internship Program last summer! Our goal is to have upwards of 250 interns next summer, so we need more business to apply to host an intern! Please visit our website at www.nex-generation.org/internships

Young AmeriTowne

We are so thankful for the 16 schools and 605 students that have participated in our AmeriTowne program in 2023. We are so excited for this upcoming year and seeing the growing impact that AmeriTowne has on the students, teachers, and volunteers.

Life\$kills

We are so thankful for our new up and coming Life\$kills program! We were so grateful to have our first Life\$kills pilot with the Norton JAG-K students.

We are so excited to have a program geared towards high school age students and to see the impact this new program has in their lives!

Our mission is to educate northwest and north central Kansas students about local career opportunities by providing and supporting programs in career development, entrepreneurship, and internship. Through these efforts, we hope to foster a positive sense of community and encourage youth to remain or return home to prosper.
