

## Match Madness 2024

March 21, 2024 is the Greater Salina Community Foundation's Match Madness! Match Madness allows you to select organization endowment(s) to support financially! Endowment funds generate long-term support for our organization. YOU can give directly to Nex-Generation for Youth's Fund with Greater Salina Community Foundation. These gifts will be matched up to 50%! As we seek to grow our programs in 2024 and beyond, we would love to be your "match!"
